

B

REFORÇO 1

01| Na figura temos um esquadro.

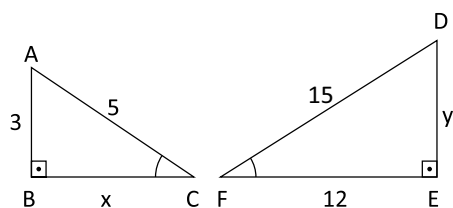

A Quanto vale x ?

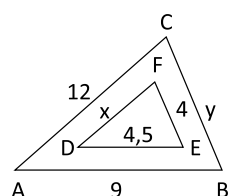

B Quanto vale y ?

02| Determine x e y , sabendo que os triângulos são semelhantes:

A

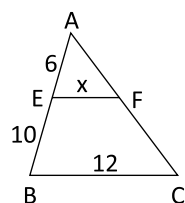

B

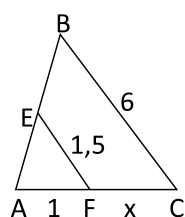

03| Calcule x , sabendo que $\overline{BC} \parallel \overline{EF}$.

A

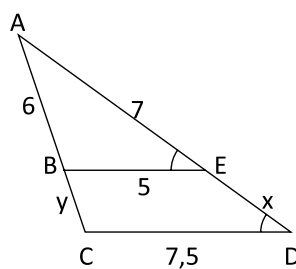

B

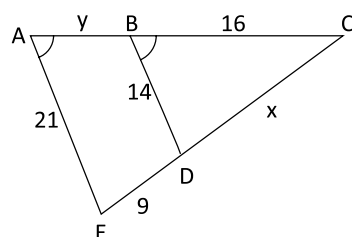

04| Calcule x e y , sabendo que os ângulos com "marcas iguais" são congruentes.

A

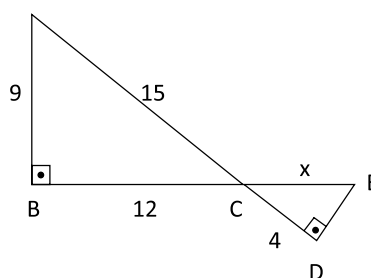

B

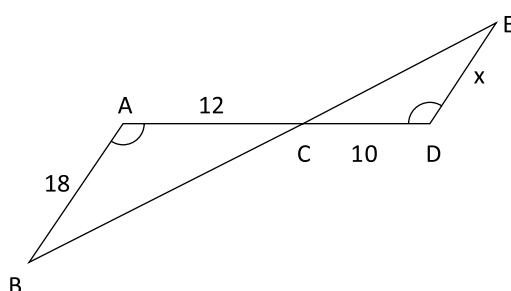

05| Calcule x , sabendo que os ângulos com "marcas iguais" são congruentes.

A

B

06| Calcule x e y , sabendo que os ângulos com "marcas iguais" são congruentes.
